Dear Friend,

PURSES WITH PURPOSE

The FIRE Foundation is pleased to present the 11th Annual Purses With Purpose on Thursday, June 16, 2022 at the iconic Hotel Kansas City. Event proceeds will benefit the FIRE Foundation, a Kansas City-based nonprofit organization that opens the doors of area Catholic schools to students with special needs.

This year, we're back to an in-person event and we expect 250 guests at the fabulous 15th Floor Starlight room for this fun and fabulous ladies' purse auction. Our guests are always ready to buy some new bags and baubles! And that's where YOU come in. **We are currently seeking donations of items (purses/bags/scarves/jewelry) for our auction.** As a contributor, your name or company will be listed with donated items. Your generosity will be recognized by bidders from all over Kansas City and beyond. FIRE will also feature donors on our website and social media platforms.

If you are in a position to do so, we hope you will continue to support inclusive education by donating an item to the event. FIRE grants help schools cover costs for staff, technology and online curriculum so that students with disabilities have essential support to stay on track and make progress toward learning goals. When you donate to FIRE, you make it possible for students of ALL abilities to learn, play and pray side-by-side and you stretch kids' capacity to be compassionate neighbors and friends.

Enclosed is a donor form you may fill out with your purse donation, or you may go to our website at firefoundation.org (click on the Events tab and go to Purses With Purpose) to donate to our event.

Gratefully,

Courtney Root
