

Inclusion in Action 2023 / Justification Letter

Dear

---

The Inclusion in Action 2023 Conference will take place February 16 - 17, 2023 at the Kauffman Foundation Conference Center in Kansas City, Missouri. Professional development and networking with fellow teachers, school leaders and paraeducators is imperative as I continue to grow as an educator. Attendance and participation in this conference will help me develop new skills and learn best practices related to inclusive education. I expect to be able to meet the learning needs of a broader range of students. I also will have the opportunity to build relationships with inclusive education experts and learn about resources that will improve students' success. I am seeking use of Title II-A for my registration fees and other travel-related expenses. As you are aware, Title II-A may be used to pay for the "secular, non-ideological" sessions that the participant attends. Funds may be used for registration as well as travel, lodging and other daily expenses. While there are over 22 professional development sessions to choose from, I want to attend:
