# ARE YOU READY...

to be inspired by national experts and education colleagues?

to discover strategies that lead to growth and success for all learners?

to build a culture of belonging for students with disabilities at your Catholic school?

## JOIN US

The FIRE Foundation is pleased to present an education conference for principals, teachers, paraprofessionals and parents who are committed to building and strengthening K-12 inclusive learning opportunities in their Catholic schools. Please help us spread the news about this opportunity!

KAUFFMAN FOUNDATION  
CONFERENCE CENTER  
4801 ROCKHILL ROAD  
KANSAS CITY, MO 64110

FIRE Foundation is an independent 501c3 organization dedicated to efforts that champion the inclusion of students with disabilities in Catholic schools and providing resources that empower educators to create successful learning experiences.

# CONFERENCE HIGHLIGHTS

- Learn evidence-based practices from national experts representing University of Notre Dame's Program for Inclusive Education, St. Louis University, University of Kansas, Texas Christian University, University of California - Davis and more.
- Get inspired! Our Catholic faith calls us to this mission and work. Hear from passionate inclusion advocates representing Word on Fire and other organizations.
- Discover innovative strategies that promote intellectual, social and spiritual growth for students with a wide range of disabilities.
- Network with K-12 school leaders, educators, parents and advocates who are companions on this inclusion journey.
